

Dear friends and well-wishers of DAIA,

Everyday we are thankful to God and praise Him for enabling us to move forward in our work throughout this year! And we are especially grateful to you! It gives me great pleasure to be in touch with you again through DAIA newsletter. In this newsletter, we share with you the events undertaken in March 2019.

Medical Camp

On the 9th of March 2019 we conducted a medical camp for 23 patients. During this gathering, a special speech was given about “**Mothers Day**” by Rev. Eben Jason. Women are most special person of their life and she is the one, who cares for all and who share the pain. She makes a place worth living and lead a happy life with truth and righteousness. Each of the patients received a variety of medicines which included tonics and a total of 40kgs of nutrition powder.

Adult Literacy

It is exciting to see the pride on the faces of our mature students who attend the Adult Literacy programme. They are taught how to read and write and basic maths to an early grade standard, which will enable them to understand the simplest instructions, signs, and information.

Care and Support Program

On 15th Mar. 2019, Care and Support Program was held at DAIA office for 15 HIV/AIDS patients. During this gathering, patients were able to tell positive stories of their improved care and the support received from the DAIA team, and before returning to their homes, they again received nutrition powder to assist in their health.

Tuition Centre visit

On 11.03.2019 Mrs. Prema Francis visited the tuition centre at Sathya Nagar, Tuticorin. Health talk was given on moral lesson and environmental hygiene. Children are happy and regular in attendance.

Community Awareness

On 01st March 2019 DAIA conducted a campaigning to make the public community more aware of the importance of education, health and their relevant issues like HIV/AIDS and environmental sanitation. More than 60 people gathered in an open area near bus stand. The people learnt a lot from this camp and decided to follow all the good habits. They were provided with bed sheets and snacks. The program ended with a tea break.

Youth Awareness

It is always encouraging to work with our young people. On 7th of March 2019 we were encouraged by the 25 youths who came to listen motivational talks on building a healthy family life with **love**, and the important of building a strong family relationship at Caldwell College Campus. With God's love, we have undertaken to continue in guiding these young people.

Life skill program

Life skill program was organized for middle school children at Korampallam in Tuticorin. 64 students participated. The children were taught about the importance of 'Self Esteem'. Inspiring them to think about the life of Dr. Abdul Kalam. They should have a feeling of satisfaction in their own abilities, self confidence, skill or aptitude. Children were more attentive.

Regular activities during March 2019

During the month of March 2019, 92 PLHAs were counselled. Medical camp was conducted on 9th March in which 23 patients were treated. We also provided nutritional powder to HIV/AIDS patients and to their children. Life Skill Programs were also organized for 206 students who attended the program and found it highly informative and interesting. They gained useful knowledge on the concepts and found it important for them in their daily lives.

We wish you all very happy Easter!
