

Dear friends and well-wishers of DAIA,
Greetings from DAIA! We are thankful to God for graciously supporting us in our work throughout the year 2019. We are happy to contact you through this newsletter. We thank each one of you for your valuable and continued support for the work of DAIA.

Medical Camp.

On November 9th 2019 we conducted a medical camp for 53 patients at Zion church campus. Every patient received medicines which included tonics and a total of 40kgs of nutrition powder. The beneficiaries were very happy.

Embracing Elders

Through this program we assist the elderly with grocery items. Not only are we helping to meet their physical needs but also to guide them spiritually. Respecting the elderly, is also a sign of compassion, a trait that many cultures value. We kindly request you to keep these senior citizens in your valuable prayers. This is also a time of fellowship for them.

Care and Support Program

In this program, we help around 11 elderly people affected by HIV/AIDS by giving them "nutritious powder" regularly every month. In addition to this we teach them "how to prepare a health drink out of moringa leaves" which is rich in calcium, iron and protein.

Tuition centres

DAIA staff visited the tuition centres at Sathyanagar and Jothi Bass nagar, in Tuticorin. Nearly 41 children are regularly attending the classes. DAIA Staff gave speech on "Parent-Child relationship." This relationship nurtures the physical, emotional and social development of the child. A child who has a secure relationship with parent learns to regulate emotions under stress and in difficult situations. They enjoy coming to the classes regularly.

Need for Christmas

Dear well-wishers of DAIA,

We are planning to have a special gathering as a **Christmas Celebration** in the 2nd week of December 2019. We are expecting nearly 350 HIV/AIDS infected and affected people. We give them sarees, shirts, gifts for children and a good lunch for them. Kindly support us and share it with your friends too.

Regular activities during November–2019

During the month of November 2019, 77 PLHAs were counselled. Medical camp was conducted on 9th November in which 53 patients were treated. We also provided nutritional powder to HIV/AIDS patients and to their children. Life Skill Programs were also organized for 95 students who attended the program and found it highly informative and interesting too. They gained useful knowledge on the concepts and we hope and pray that they use them in their life.
