

Dear friends and well-wishers of DAIA,

Greetings from DAIA! We are thankful to God because He has enabled us, through your support, to complete 2018 and to enter into 2019. This year, we are looking forward to give even more effective service to PLHAs, providing more training in natural medicine to the less fortunate, and raising awareness of HIV/AIDS in different colleges throughout the city. We are happy to contact you through this Newsletter for February 2019.

Annual Day Program 2018

On 8th December 2018 Christmas program was conducted for HIV/AIDS infected people and their family members in Tuticorin at Zion's church. More than 300 people participated. The opening prayer was offered by Mrs. Dorothy Manimuthu followed by the Presidential address by Dr. Joe Prabakaran.

Rev. Johnson Daniel delivered the Christmas message and Christmas gifts were given to all the participants.

A good lunch was served. All the participants enjoyed the Christmas program.

We are thankful to God for bringing in different individuals who were interested in contributing to DAIA to provide this type of care and support to PLHAs.

On World AIDS Day Dec 1 2018, Dr. Mummoorthy said that everyone should know their status by undergoing proper test without any inhibition so as to curb new infections in future.

Kovilpatti Campaign

On the 22nd of January 2019 we conducted a campaign at Perumalpatti Sathur. 57 patients participated. The campaign was designed to offer support and awareness for those living with the disease. DAIA provided lunch and gifts for them.

Advocacy

Mrs. Jothi (name changed) HIV/AIDS patient is living in a village near Tuticorin district. Her husband passed away 13 years back, leaving 4 kids. Her first daughter is a mentally retarded child 14 years old, and her old mother is staying with her too. In the mean-time somebody has encroached on her own lands, so DAIA took up this matter through a lawyer, Mr. Abdul Khadar to safeguard her human rights.

Case study

Mrs. Parvathy 52 years old is affected with HIV. Her husband passed away 10 years back, leaving her one 8 years old son. They are staying in a small hut which needs to be renovated. She needs support for that. DAIA provides groceries every month, which enables to take care of her family. Kindly uphold her in your prayers.

Care and Support Program

On 18th January 2019 Care and support program was held at DAIA office at 11 A.M. 15 persons participated. Mrs & Mr. Robert who are the well-wishers of DAIA were with us. They gave spiritual nurture to them i.e.that we are all wonderfully created by God, so that there is no need to worry about anything. God will take care of us. It was a great

encouragement for all, and they were provided with groceries. The program ended after tea break.

Regular activities during December 2018 & January 2019

During the month of January 2019, 69 PLHAs were counselled. Medical camp was conducted on 12th January when 44 patients were treated. We also provided nutritional powder to HIV/AIDS patients and to their children. Life Skill Programs were also organized for 188 students who attended the program and found it highly informative and interesting. They gained useful knowledge on the concepts and found it important for them in their daily lives.

We are giving our bank account numbers below for easy transfer of money.

Development Association for Integrated Activity (DAIA)
