

Dear friends and well-wishers of DAIA,
Greetings in the matchless name of our risen Lord Jesus Christ. It gives me great pleasure to contact you again through this newsletter. We thank each one of you for your valuable and continued support for the work of DAIA. In this newsletter, we share with you the events undertaken in February 2019.

Medical Camp

On the 9th of Feb.2019 we conducted a medical camp for 36 patients. Each of the patients received a variety of medicines which included tonics and a total of 40kgs of nutrition powder. We are always joyful, knowing that we through your financial contributions, are able to continue to give these medicines for opportunistic infections for the people who attend our medical camps.

Embracing Elders

As we mentioned in an early newsletter, DAIA is always looking for ways in which to help people. One area we have highlighted is the urgent need for the care of the elderly, specifically those who have been abandoned by their families. Through this program we assist them with grocery items. Not only are we helping to meet their physical needs but also to guide them in their spiritual paths. We kindly request you to keep these senior citizens in your prayers. On the 9th of Feb 2019, we organized one programme

Rehabilitation

This month's UPLIFTING STORY is about Mrs. Subbu (her identity name has been changed for privacy reasons). Mrs. Subbu aged 52 years is a patient living with HIV/AIDS. Her husband passed away 15 years back leaving 2 daughters. Both of them got married and are settled now. Subbu is staying with one of her daughter's family. As she was sick and weak, she could not work hard. We learned that she is now living under the poverty line and finding it hard to manage her family. So DAIA provided two goats as support to live as independently as possible. She is happy and thankful to DAIA.

Care and Support Program

On 15th Feb 2019, Care and Support Program was held at DAIA office for 15 HIV/AIDS patients. During this gathering, patients were able to tell positive stories of their improved care and the support received from the DAIA team. And before returning to their homes, they again received nutrition powder to assist in their health.

Youth Awareness

On 17th February 2019, we were invited to conduct a Youth Awareness Program at Annanagar Church. We were delighted to welcome 26 youths who attended our program. The program was centred around building a healthy family life with love and the importance of building a strong family relationship.

Field report by Mrs. Prema Francis – Program Manager (written in Tamil Bamini font)

About Me:

My name is Prema Francis. I am happy to introduce myself through DAIA's newsletter. My husband Mr. Francis is also working along with me in DAIA. We have two children; our elder son is doing 12th grade and our younger one is doing 6th grade. During my college days I had a great passion to work with people affected with HIV/AIDS. Eventually God led me to join DAIA since November 2009. Please uphold us in your prayers.

Yours in His service,
Prema Francis.

Regular activities during February 2019

During the month of February 2019, 63 PLHAs were counselled. Medical camp was conducted on 9th February when 36 patients were treated. We also provided nutritional powder to HIV/AIDS patients and to their children. Life Skill Programs were also organized for 119 students who attended the program and found it highly informative and interesting. They gained useful knowledge on the concepts and found it important for them in their daily lives.

We give our bank account numbers below for easy transfer of money.

Development Association for Integrated Activity (DAIA)
