

Dear friends and well-wishers of DAIA,

Everyday we are thankful to God and praise Him for enabling us to move forward in our work and we are especially grateful to you! It gives me great pleasure to be in touch with you again through DAIA newsletter. In this newsletter, we share with you the events undertaken in August 2019.

Medical Camp

During the month of August 2019 we conducted medical camps for 37 patients at Zion church campus. Each of the patients received a variety of medicines which included tonics and a total of 50 kgs of nutrition powder.

Embracing Elders

Through this program we assist the elderly with grocery items. Not only are we helping to meet their physical needs but also to guide them in their spiritual paths. We kindly request you to keep these senior citizens in your valuable prayers.

Care and Support Program

On August 16th 2019, Care and Support Program was held in Koilpatti at CSI church campus for 12 HIV/AIDS patients. During this gathering, patients were able to tell positive stories of their improved care and the support received from the DAIA team. Before returning to their homes, they received nutrition powder to assist in their health.

Awareness program

It is always encouraging to work with our young people. On 8th of August 2019 we were encouraged by the 65 youths who came to listen motivational talks on building a healthy family life with love, and the importance of building a strong family relationships at Caldwell College Campus. With God's love and favour we have undertaken to continue in guiding these young people.

Tuition Centres

DAIA staff visited the tuition centre at Sunami colony, in Tuticorin. Nearly 30 children are regularly attending the classes. These tuition centres are to help the children in improving their talents and abilities. We encourage our students in preparation for the future learning process. Children enjoy coming to the classes regularly.

Tuition teacher's meet

Tuition teacher's meet was held at DAIA office on 31.08.2019. All the teachers participated. The teacher's job is to help students to learn and solve problem on their own and to improve their study skills. They do their job with great interest.

Rehabilitation

Mrs. Rani (Name changed) is a widow affected with HIV, living in Tuticorin. She has two children. She is a daily labourer. Since her meagre income is not sufficient to meet her family needs, DAIA has provided two goats to enhance her income on 30.08.2019. She is thankful to DAIA.

Samaritan's purse:

On 15th August Samaritan's purse conducted a discipleship camp at Korampallam CSI church. 86 teachers participated in the program. It is important for a leader to focus on empowering the students, and see how they perform. You will have to set a good example for others to follow. It was a very useful one for the participants.

Regular activities during August - 2019

During the month of August 2019, 40 PLHAs were counselled. Medical camp was conducted on 10th August in which 37 patients were treated. We also provided nutritional powder to HIV/AIDS patients and to their children. Life Skill Programs were also organized for 200 students who attended the program and found it highly informative and interesting. They gained useful knowledge on the concepts and found it important for them in their daily lives to their benefits.
